**Responsible To:**

Clinical Site Supervisor

**Fiscal Responsibilities:**

Responsible for meeting client impact standards for the position.

**Working Conditions / Environment:**

Full-time, with a schedule that includes working three evenings per week.

**Essential Duties and Responsibilities:**

- In a clinical non-profit agency setting, provides counseling to clients as appropriate to the situation and position; prepares treatment plans.
- Counsels clients in individual, couples, family or small group settings.
- Evaluates clients from a strength-based and client-focused perspective.
- Assesses client progress and modifies treatment plans accordingly; communicates with and counsels family members as appropriate.
- Completes specified client documentation in an accurate and timely manner, in compliance with established agency audit and client impact standards.
- Participate in promoting Provident’s mission within the local community and creating awareness of the services Provident provides.
- Maintains a client case load consistent with agency requirements.
- Participates and engages in supervision, staff and agency meetings.
- May need to work occasionally at different locations, based upon agency and client needs at various times.
- Participates, as requested, in agency-wide projects, planning, etc. Works collaboratively with others in a team setting, providing the best possible service not only to our clients but also our internal customers and colleagues.
- Maintains strict adherence to all agency procedures, regulatory standards and professional ethics.
- Maintain license specific continuing education credits to remain in good standing in the state of Missouri.
- Ability to administer, score, and interpret outcome measures to track clinical progress (BMS, PSC, BDI, et. al).
- Effectively manage caseload, as evidenced by ability to accept additional clients, close inactive files in a timely manner, take adequate steps to avoid “client abandonment” and making attempts to re-engage clients who have been lax in attending.
- Correct and effective utilization of the appropriate Evidence Based Treatment Modalities indicated for adolescent and family populations, such as CBT, TFEBT, Play Therapy, MI, DBT, EMDR and PCIT.
- Participate as a team member, collaborating with and providing excellent customer service to clients, funding sources, peers, other Provident employees, and other internal and external customers.
- Serve as a representative of Provident, displaying courtesy, tact, consideration and discretion in all interactions with Provident team members, clients, grantors, funders, auditors, and members of the general public.

The above statements are intended to describe the general nature and level of work being performed by people assigned to this job. They are not intended to be an exhaustive list of all responsibilities, duties and skills required of personnel so classified.
