

Provident Behavioral Health is pleased to offer Clergy Support Groups for any clergy member who may benefit from peer-to-peer support. Our Clergy Support Groups are facilitated by a licensed therapist, who will prompt and encourage conversation between attendees. The facilitator may also recognize attendees who may benefit from more intensive one-on-one therapy. If you are interested in attending, please provide the following information and email to our confidential email info@providentstl.org. You will be asked to Provide the following information on or before your first session.

Date	
Name <i>First, Middle Initial, Last</i>
