

Building brighter futures through exceptional behavioral health services, especially for those with the greatest need.

The need is great

20%
of Americans
experience mental
illness in a given year

In Missouri, over
1,100
individuals die
annually from suicide

Suicide is the
second leading
cause of death
for Missouri youth
ages 10-24

More than 2 in 5
Americans (43%)
who needed mental
health care in the past
twelve months
did not receive it

But you can help

Provident Behavioral Health, the most comprehensive mental health care provider in Saint Louis, serves over 25,000 people across the state of Missouri.

By supporting us, you can help people receive the mental health care they need.

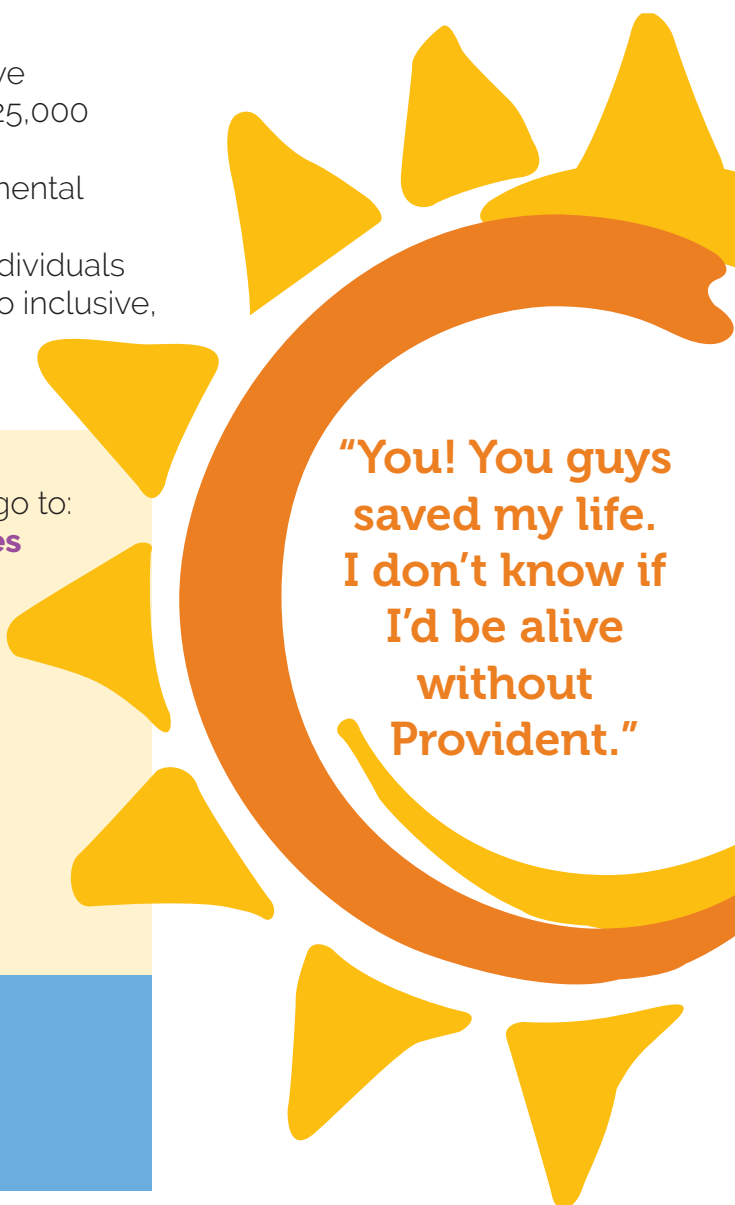

Your sustainable monthly support invests in those individuals who need it most, ensuring that cost is never a barrier to inclusive, exceptional care.
